DETAILED ACTION

Response to Amendment

1. The reply filed on 9/22/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): It is not made clear via the response as to the proper support in the originally filed application papers for the added limitation which appears in claim 1, specifically "while the second memory endlessly records the current conversation". See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. With respect to the request to consider the references submitted by applicant on 2/19/2002, it should be noted that those references which were previously not considered have been provided on the PTO Form 892 which was mailed on 6/22/2004 and have all been considered and made of record.
